- Raspberry Pi 5 Case !
- FANLESS !
- Premium Aluminium !

Premium aluminium cover acts as an efficient heatsink, cooling the Raspberry Pi 5 stylishly. Equipped with strategically placed dual aluminium cores to whisk heat away. The case optimises performance, supports various interfaces, and suits overclocking, media, and DAC enthusiasts, enhancing your setup's sophistication without compromising on the Pi's potential.

- Aluminium fanless cooling design
- Durable Simplicity, Timeless
- Native Raspberry Pi 5 Board Support
- Access to Rich Connectivity
- Optional Mounting Kit
